For several years Sunbury's Revitalization, Inc., with the cooperation and assistance of the City of Sunbury, has been beautifying downtown Sunbury with hanging flower baskets. Each spring these flower baskets are hung to adorn Market Street and welcome visitors and residents alike to Sunbury. They have been beautiful. We are scheduled to hang this year's baskets in May, depending on weather.

*This program is 100% funded by donations. We are reaching out and asking that you consider making a donation to support this program.*

***A donation of \$200 will cover the annual cost and care of a new basket and \$100 will cover the cost and care of an existing basket, however any donation helps. If you enjoy the beauty and can help financially, please consider doing so.***

***Contributing is easy. Complete the attached form and send it, along with your check, to SRI, 450 Chestnut Street, Sunbury, PA 17801.*** SRI is a 501 (c) 3 nonprofit organization and your contribution is 100% tax deductible for federal income tax purposes.

***Thank you for continued support of the City of Sunbury and the people who belong to this great community!***

Sincerely,

Cory Fasold  
Chair, SPARC Committee
